Events

SmarterEPC at the SRI Joint Event

Our project was present at the most important event on SRI organised at EU level

7 March, Brussels – The European Commission (DG ENER and CINEA) hosted a gathering of the SRI Platform, EU projects funded by the LIFE programme, Member States representatives and industry experts to delve into the topic of smart readiness in European buildings. Among the participants was SmarterEPC, represented by a team including Cécile Barrère and Inès Kahin from R2M Solution, alongside Andrei V. Litiu from EPB Center and Paris Fokaides from Euphyia Tech, who engaged in project exhibitions and expert talks.
